TRANSFER AGREEMENT

This Transfer Agreement establishes the terms and conditions for _____ ("student") to attend the El Paso Independent School District ("District") as a transfer student for the _____ school year, although the student is a resident of the _____ School District. The student's parent or other person having lawful control of the student, _____ ("parent"), requests that the student be permitted to attend District schools in the _____ school year and agrees to the following terms and conditions for that transfer:

1. This transfer is effective for the current school year only. District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year.
2. This transfer is approved for the named student only. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.
3. The student must maintain an acceptable level of attendance and comply with District rules and regulations, including the Student Code of Conduct, throughout the entire school year. Acceptable levels are defined as:
 - a. Attendance that does not place the student at risk of losing credit under Education Code 25.092 or require the District to warn the parent or the student of truancy proceedings under Education Code 25.095.
 - b. Compliance with the District's rules and regulations, including the Student Code of Conduct, such that no offenses result in removal to a disciplinary alternative education program or expulsion, and no more than one referral is made within any grading period for other misconduct.
4. The parent or the student will be responsible for transportation to and from the District school to which the student is assigned.
5. The student and parent acknowledge that eligibility of transfer students for participation in any UIL activity or other activities governed by UIL rules and regulations will be determined in accordance with UIL rules and regulations.
6. Except as modified by this transfer agreement, the student will be subject to all policies, regulations, rights, privileges, and responsibilities of enrollment in the District as if he or she resided in the District.

The District and the parent agree that this transfer agreement is the entire agreement controlling the admission and enrollment of the student in the District for the _____ school year.
